

Newsletter: Week 6

The value we are thinking about this half term is:

Perseverance

"Because you know that the testing of your faith produces perseverance."

James 1:3

Update from Mrs Blake

The first part of the Summer term has flown by and, as we prepare for the final term, we recognise the mix of excitement and anxiety it brings. For our children transitioning to High School, we are committed to supporting them and their families through this significant change. Transition visits from staff at High Schools are scheduled for next term to help ease this process ahead of the Ealing Transition Day on Friday 28th June.

At St Mary's, children will have a chance to spend time with their new teacher on our Transition Day on Friday 28th June too. Following this, we have an exciting 'Exhibition Afternoon' planned where you can meet the teachers and see your children's work after school from 3pm.

This term has been filled with celebrations, exceptional achievements from the children, community outreach, engaging Instagram updates, worship assemblies, clubs, collaborative projects with our family of schools, and exciting trips.

We look forward to continuing all of our partnership work through this term and beyond. Thank you for your unwavering support and encouragement.

Have a wonderful half term. God bless you all.

Mrs Blake

Our Vision - 'Good Ground Grows Well'

Through our Christian ethos, we teach children to hear, understand and live the word of God, helping them to give back to the world as global citizens. As every child is uniquely created in God's image, we nurture their individual development through a holistic approach to all aspects of life.
